Historical snow disaster records
Event set (2008–2015)
Full event set (1980–2015)
Climate data (station)
Step 1: BRT modeling of snow disaster day probability
Step 2: smoothing
(window size = 5~25 by 2)
Step 3: Filtering
(threshold = 0.1~0.5 by 0.02)
Events timing & duration
